

**The community you want  
starts at your front door™**

**#NeighbourDay**

# **We want to flood the internet with neighbourliness a month before the celebrations begin – but we need your help.**

How to be a part of the Neighbour Day virtual launch – it's as easy as one, two, cheese!

1. **GRAB** the sign and stand at your front door (or if an organisation, with relevant signage in shot)
2. **GET** a mate to take a photo of you holding the sign (using a phone or other device)
3. **SEND** the picture by e-mail to [srobinson@relationships.org.au](mailto:srobinson@relationships.org.au) or via text on 0448 040 560 so that we can post on our social media networks on **Monday 29 February 2016**.

If you would prefer to upload the images through your own networks, please feel free to do so after the virtual launch date **Monday 29 February 2016** – and make sure to tag us if you do!
