Dhunlung Yarra Service

The Dhunlung Yarra Service provides confidential, flexible and culturally appropriate support for Aboriginal and Torres Strait Islander families and communities.

Our Aboriginal and Torres Strait Islander team is qualified and experienced in working in community. We work with individuals, families and couples on relationship issues, loss and grief, separation and family violence.

We provide a cultural approach that includes outreach options, meeting you at a location where you might feel comfortable. We keep culture central in the work that we do.

Dhunlung Yarra means 'Tell, Talk', using words from both the Ngunnawal (Dhunlung) and Wiradjuri (Yarra) languages.
